Golf Tournament

Sponsorship Levels

Event Benefitting the
JKV Parkinson's Disease Program

Parkinson's Disease affects nearly one million people in the United States and the incidence increases with age in those over 65. John Knox Village is committed to being a premier resource in Jackson County for treatment, therapy and support of those with Parkinson's Disease.

Please help John Knox Village expand its Parkinson's programming and assist even more people who are living with this disease by being a sponsor of the Golf Tournament benefitting the Village's Parkinson's Program.
